6.5.2 Quality assurance initiatives of the institution include:

1. **Regular meeting of Internal Quality Assurance Cell (IQAC); Feedback collected, analysed and used for improvements**
2. **Collaborative quality initiatives with other institution(s)/ membership of international networks**
3. **Participation in NIRF**
4. **any other quality audit/accreditation recognized by state, national or international agencies such as NAAC, NBA, ISO Certification etc**

Clarification 2. Please provide Event Brochures and reports year-wise for all the programs in the assessment period.

Answer: Same Clarification is asked in 6.3.3 as clarification 3.

Here the event brochures, invitations, etc. are provided for maximum number of programs in the assessment period 2017 – 22.

About RNSIT

Vision

Building RNSIT into a World Class Institution

Mission

To import high quality education in Engineering and Technology and Management with a difference, enabling students to excel in their career

R N Shetty Institute of Technology (RNSIT) established in the year 2001, is the brain-child of the Group chairman, Dr. R N Shetty with a continuous desire to Provide quality education to the sociery, the group has established RNSIT, an institution to nourish and produce the best of ecgineering talects in the country. The institution offers seven UG, two M. Tech, MCA and MBA Programs. Six Departments have been recognized by VTU as Research and Development Centers and is one of the best and top accredited engineering college in Bengaluru

About Mechanical Engineering Department

Vision

To become a center of excellence in Mechanical Engineering and to nurture technically competent and socially responsible engineering professionals.

Mission

To build enabling environment with state-of-art infrastructure facilities along with committed, experienced faculties for providing an excellent teaching learning and research in order to produce entrepreneurs and innovators in the field of Mechanical Engineering for sustainable improvement.

- To impart basic fundamentals of Maths, Science and Mechanical Engineering to analyze and to solve any diversified Mechanical engineering problems involving complex design of products and to carry out engineering analysis by using modern tools.
- To prepare students for successful careers in industry to meet the needs of Indian and Global companies or to become entrepreneur.
- To provide opportunity for students to work in their individual capacity as well as to function as teams on multidisciplinary projects.
- To anble students for lifelong learning and introduce then to professional ethics and sustainable development.

The College has started offering course in Mechanical Engineering from 2011. The present intake of the department is 180. The deparment has committed teaching faculties with both academic and industrial background. The Department has recieved a sum of Rs 21.60 lakhs as R & D grants under NRB Project.

The department continuously strives to build the gap between the academics and industries by organizing workshops, industrial visit, technical seminars and guest lectures in the field of Robotics, CNC, Design, UAV's etc. The department also has MoUs with Bosch Rexroth (CoE) Automation Technologies, CADD Centre, Engineering Materials, Rare Minds which encourage our students in taking up internships and also helps our students in getting placed in reputed core companies.

About Civil Engineering Department

Vision

Shaping Excellant Civil Engineering Professionals with Societal Focus

Mission

- To emphasize understanding of basic Engineering Concepts
- To develop creative ability to analyze and manage industry challenges
- To establish synergy between teaching and research

The Department of Civil Engineering is offering Bachelor of Engineering course under VTU, Belgavi, from 2014-15 with an annual intake of 60 students, under the guidance of the great visionary in Civil Engineering constructions and Projects, Dr. R N Shetty. The department has committed and experienced teaching faculty specialized in various areas of Civil Engineering. The aim is to impart high quality education to young minds, imbibe them the professional knowledge and make them competent. It aims to be the best rated department in the college and in the university though dissemination of globally acceptable education, effective industrial consultancy and quality research output.

Vision

Building RNSIT into a World-Class Institution

Mission

To impart high quality education in Engineering and Technology and Management with a difference, enabling students to excel in their career

Scanned with OKEN Scanner

ABOUT THE INSTITUTION

RNSIT, an Institute with a difference, is an esteemed Institution established in the year 2001 by **Dr. R N Shetty**, a well-known industrialist, philanthropist and an educationalist. It is built on a 160 acre clean-green campus managed by a highly committed, proactive and non-interfering management with a mission to impart high quality engineering education, enabling graduates to excel in their career. The Institution offers **Seven** UG, **Two** M.Tech, MCA and MBA Programmes. **Six** Departments have been recognized by VTU as Research and Development Centers.

All departments are harmonized, with highly qualified, committed and dedicated teaching faculty. Over **40%** of the faculty members are pursuing PhD and 20% are doctorates. RNSIT is rated as one of the best teaching institutions by the public. One of the best components of RNSIT is its Placement and Training Cell with a committed team holding a record of 98% placements. The Institution works with a number of innovative methods in administration, services, conditions and teaching.

Strong and Disciplined Work Culture is the hallmark of RNSIT. Due encouragement is given for the holistic development of the individual. The institution organizes FDPs, National/International Conferences and Workshops on regular basis for the benefit of faculty members.

ABOUT THE DEPARTMENTS

Departments of Computer Science and Information Science & Engineering were established in the year 2001 right from the inception of the Institution with an objective of imparting quality technical education in IT field. The Departments house state-of-the- art laboratories, library facility and boast of well trained, committed and experienced teaching faculty who emphasize the theoretical and practical applications of computation and computer systems to the needs of society. The Departments are promoting excellence in Teaching, Research and Services covering the fundamentals as well as applied aspects of Computer Science and Information Technology.

OBJECTIVE

The objective of this FDP is to comprehensively cover the basic concepts, well posed learning problems, perspectives & issues of web programming by exploring various learning algorithms and implementing them through JavaScript, HTML, XML, PHP languages, as prescribed by the VTU CBCS Scheme and Syllabus for 7th semester B.E in Computer Science/Information Science and Engineering courses. Also, this FDP emphasizes a hands-on approach for better understanding of web technology and providing solutions for all the experiments and also demonstration of 8–10 mini projects with sample reports in **WEB TECHNOLOGY LABORATORY** (Subject Code: 15CS71 and 15CSL77).

WHO CAN ATTEND?

Teaching faculty who are interested in handling both the courses **"WEB TECHNOLOGY AND ITS APPLICATIONS"** and **"WEB TECHNOLOGY LABORATORY WITH MINI PROJECT"** from the departments of CSE and ISE, affiliated to all VTU Engineering colleges.

REGISTRATION

Registration fee is Rs. **750/-** for each delegate. Registration can be done by submitting filled-in registration form along with a DD drawn in favor of **The Principal, RNSIT, Bengaluru**, or through online payment at following details: Bank Name: **CANARA BANK**, Branch: **RNSIT**. SB A/C No: **8574101050101** IFSC Code: **CNRB0008574**

COURSE OBJECTIVES

- Understanding of **Semantic Structure** of HTML, CSS, **Client/Server** programming using **JavaScript** and **PHP.**
- Illustration of Object oriented development using PHP, development of **JavaScript frameworks** like **jQuery** and **Backbone** to focus on core features.

UNIQUE FEATURES

- **Distinguished Resource Persons:** Experts and Renowned Speakers from industries/academia.
- **Quality Course Materials:** Handouts of PPT Presentation and Solutions to all the WTA Laboratory Problems & 8-10 sample mini projects with Reports.

Tentative Program Schedule	
Day 1: Monday 29-04-2019; Industry Experts from Hydac	
09:00 - 10:45 am	Inauguration and Keynote Address on IoT Ecosystem
11:00 - 12:00 pm	Java Basics and Programming
12:00 - 12:30 pm	Hands-on Programming
01:30 - 03:00 pm	Beacon Sensors and Android Studio IDE – Introduction and programming
03:15 - 05:30 pm	IoT App Development based on Beacon Sensors, Java and Android IDE
Day 2: Tuesday 30-04-2019; Industry Experts from Fiabilte	
09:00 - 10:45 am	Talk on Python, ARM Processors & IoT – State of the Art
11:00 - 12:30 pm	OS – Introduction and deployment on ARM Processors; Python Programming Introduction specific to ARM processors – Raspberry Pi
	Demo/Hands-on Programming
01:30 - 03:00 pm	Demo of Scheduler Creation and IoT – backend Programming
03:15 - 05:30 pm	Hands-on Programming in IoT Applications using Python, Cloud & Raspberry Pi

Vision of RNSIT

Building RNSIT into a world-class institution.

Mission of RNSIT

To impart quality education in Engineering, Technology and Management with a difference, enabling students to excel in their career by

- Attracting quality Students and preparing them with a strong fundamentals so as to achieve distinctions in various walks of life leading to outstanding contributions
- Imparting value based, need based, choice based and skill based professional education to the aspiring youth and carving them into disciplined, world-class Professionals with social responsibility
- Promoting excellence in Teaching, Research and Consultancy that galvanizes academic consciousness among Faculty and Students
- Exposing Students to emerging frontiers of knowledge in various domains and make them suitable for Industry, Entrepreneurship, Higher studies, and Research and Development
- Providing freedom of action and choice for all the stakeholders with better visibility

Visvesvaraya Technological University

Visvesvaraya Technological University (VTU) is one of the largest Technological Universities in India with 21 years of tradition of excellence in Engineering & Technical Education, Research and Innovations. VTU came into existence in the year 1998 to cater to the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. University has very successfully achieved the tremendous task of bringing together various colleges affiliated earlier to different Universities. The University having 218 affiliated colleges, 1 constituent college and 17 Autonomous colleges with undergraduate courses in 35 disciplines, PG programmes in 94 disciplines and Ph. D & M.Sc(Engg.) by Research programmes in 592 departments, has over 4 lakhs Engineering Students studying in various institutes affiliated to the University. The University has 13 Quality Improvement Programme (QIP) centers in various affiliated colleges and 16 extension centers for offering PG programs. VTU has four regional centers across the State of Karnataka in Bengaluru, Belagavi, Kalaburagi and Mysuru. University is a multi-disciplinary and multi-level institution offering wide ranging programmes in Engineering, Technology and Management.

The TEQIP Project focuses on the following objectives:

- Improving quality and equity in engineering institutions focus states viz., Seven Low Income States (LIS), eight states in the North-East of India, three Hill states viz., Himachal Pradesh, Jammu & Kashmir, Uttarakhand and Andaman and Nicobar Islands.
- System-level initiatives to strengthen sector governance and performance which include widening the scope of Affiliating Technical Universities (ATUs) to improve their policy, academic and management practices towards affiliated Institutions.
- Twinning Arrangements to Build Capacity and Improve Performance of institutions and ATUs participating in focus states.

As a twinning partner VTU is conducting various activities to improve quality of education in affiliated colleges and mentee university partners namely Aryabhatta Knowledge University, Patna and Biju Patnaik University of Technology, Rourkela.

RNS Institute of Technology

RNS Institute of Technology (RNSIT) is serving the cause of Technical Education since two decades. The institution is **AICTE Approved, VTU Affiliated and NAAC 'A' Grade Accredited. UG Programs** - CSE, ECE, ISE, EIE and EEE have been **Accredited by NBA** for the Academic years 2018-21.

The College offers B.E. Degree, Post Graduation in M.Tech/ MBA/MCA and Ph. D. Research Programmes. Six of the Departments are recognized to carry out Research. Strong and disciplined work culture is our pride. Quality Teaching, happy and conducive environment is our strength. Placement is our Unique Selling Proposition. RNSIT has academic MOUs with various leading corporates for innovation, incubation, internships, research, projects and hands on experience.

About FDP

This FDP covers the broad areas of IoT and embedded programming. The participants will gain an understanding of IoT concepts involved in both Frontend and Backend Design of applications. They will be exposed to advanced embedded programming using Python and deployment of OS on ARM processors. This FDP will enhance their fundamental knowledge in building Custom-specific IoT Applications using Android Studio, Java and Beacon sensors. The sessions of the FDP are handled by experts drawn from industries and premier institutions.

Objectives of FDP

- To cover basic concepts and programming in Java and Python (Top two programming Languages in the world).
- To present the concepts involved in the IoT Ecosystem.
- To enhance the embedded programming skills (from present day embedded C and ALP) to hands-on Python Programming of ARM processors.
- To build customized motes by exposure to deployment of chosen Operating System (OS) on ARM processors and developing a simple scheduler.
- To expose participants to present-day industry expectations by:
  - Introduction to IoT sensors – Estimote Beacon Sensors.
  - Development of Java based Apps using Android Studio IDE.
  - Creating IoT solutions for specified applications.

Department of Civil Engineering
RNS INSTITUTE OF TECHNOLOGY
(AICTE Approved and VTU Affiliated)

Scanned with OKEN Scanner

R N Shetty Institute of Technology (RNSIT), an Engineering college in Karnataka established in the year 2001 to impart high-quality technical education.

Vision: Building RNSIT into a world class institution.

Mission: To impart high quality education in Engineering and Technology and Management with a difference, enabling students to excel in their career.

RNSIT is supporting seven UG disciplines, five PG programmes in Engineering, MBA and MCA and Research Programmes in six departments.

RNSIT recognizes that the faculty is the key component in the education system requiring periodic updating and training. To keep abreast with the current technologies, the institution is jointly hosting a three-day FDP on "Finite Element Method for Engineers."

Mechanical Engineering Department

The College has started offering courses in Mechanical Engineering from August 2011. The department has committed teaching faculty with industrial background and an average teaching experience of 10 years. Students are encouraged to pursue their research, industrial internship and co-curricular activities. The intake of the department has been increased to 180.

Civil Engineering Department

The Department of Civil Engineering is offering Bachelor of Engineering course under VTU from 2014-15 with an annual intake of 60 students, under the guidance of the great visionary in Civil Engineering constructions and Projects, Dr. R N Shetty. The department has committed and experienced teaching faculty specialized in various areas of Civil Engineering.

Finite Element Method

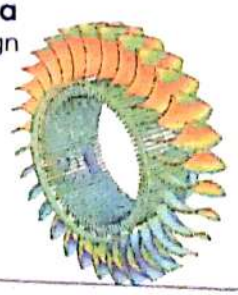

The **Finite Element Method (FEM)** is a challenging numerical technique for finding approximate solutions to boundary value problems which is continuously attracting Researches. It is also referred to as **Finite Element Analysis** (FEA). It has been applied to a number of physical problems, where the governing differential equations are available. The method essentially consists of assuming the piecewise continuous function for the solution and obtaining the parameters of the functions in a manner that reduces the error in the solution.

FDP Objectives

- The objective of this FDP is to help the participants to understand the fundamental theory of the FEA method, as applied to many complex problems in engineering.
- To develop the ability to generate the governing FE equations for systems governed by partial differential equations.
- To understand the use of the basic finite elements for structural applications using truss, beam, frame, and plane elements.
- To understand the application and use of the FE method for heat transfer problems.
- To develop proficiency in the application of the finite element method (modeling, analysis, and interpretation of results).
- To apply FEM to the practical engineering problems.
- To have a hands on various FEA packages.

Vision
Building RNSIT into a World-Class Institution

Mission
To impart high quality education in Engineering and Technology and Management with a difference, enabling students to excel in their career

Scanned with OKEN Scanner

ABOUT THE INSTITUTION

RNSIT, an Institute with a difference, is an esteemed Institution established in the year 2001 by Dr. R N Shetty, a well known industrialist, philanthropist and an educationalist. It is built on a 160-acre clean-green campus and managed by a highly committed, proactive, non-interfering management, with a mission to impart high quality education, enabling graduates to excel in their career. The Institution offers Seven UG Programmes, Five M.Tech Programmes, one MCA and one MBA Programme. Six Departments have been recognized by VTU as Research and Development Centers.

All departments are harmonized, with highly qualified and dedicated teaching faculty. Over 95% of the faculty members are Post Graduates/Ph.D holders. RNSIT is rated as one of the best teaching institutions by the public. One of the best components of RNSIT is its Placement and Training Cell with a committed team holding a record of 99% placements. The Institution works with a number of innovative methods in administration, services, conditions and teaching.

Strong and Disciplined Work Culture is the hallmark of RNSIT. Due encouragement is given for the holistic development of the individual. The institution organizes FDPs, National/International Conferences and Workshops on regular basis for the benefit of faculty members.

ABOUT THE DEPARTMENTS

Departments of Computer Science and Information Science & Engineering were established in the year 2001 right from the inception of the Institution with an objective of imparting quality technical education in IT field. The Departments house state-of-the- art laboratories, library facility and boast of well trained, committed and experienced teaching faculty who emphasize the theoretical and practical applications of computation and computer systems to the needs of society. The Departments are promoting excellence in Teaching, Research and Services covering the fundamentals as well as applied aspects of Computer Science and Information Technology.

FDP OBJECTIVE

The objective is to comprehensively cover the basics of ARM processor, architectures, instruction set and programming as prescribed by the **VTU revised syllabus(CBCS) for 4th semester BE Computer Science/ Information Science Engineering.**

Also, this FDP emphasizes a hands-on approach for better understanding of ARM processors and programming concepts, covering solutions for newly introduced experiments in Microprocessors and Micro-controller Laboratory.

KEYNOTE ADDRESS

Keynote address will be delivered by a Professor of eminence Dr. H N Shivashankar, Director, RNSIT, who has more than 4 decades of teaching experience and he is a specialist in the field of Microprocessors. Previously he served as a distinguished **Professor and Principal at UVCE** and also **Dean Faculty** of Engineering, Bangalore University.

WHO CAN ATTEND?

Teaching faculty who are interested in handling the course **Microprocessors and Microcontrollers** from the department of CSE and ISE, affiliated to all VTU engineering colleges.

REGISTRATION

Registration fee is ₹500/- for each delegate. Registration can be done by submitting filled-in registration form along with a DD drawn in favor of **"The Principal, RNSIT, Bengaluru".**

UNIQUE FEATURES

- **Distinguished Resource Persons:** Experts and Renowned Speakers from industries.
- **Quality Course Materials:** Handouts and Solutions to newly introduced Laboratory Problems.
- **Content Coverage:** As per the revised VTU syllabus with a focus on ARM processors and its applications.

NATIONAL BOARD OF ACCREDITATION

4th Floor, East Tower, NBCC Place, Bhisham Pitamah Marg, Pragati Vihar, Lodhi Road, New Delhi 110003

F. No. 25-210-2018-NBA

Dated: 05-07-2021

To,

The Principal,
RNS Institute of Technology,
Vishnuvardhana Road, RR Nagar Post,
Channasandra, Srinivaspura,
Bengaluru, Karnataka-560098

Subject: Grant of accreditation for one year in respect of UG Engineering programs in Tier II offered by RNS Institute of Technology, Vishnuvardhana Road, RR Nagar Post, Channasandra, Srinivaspura, Bengaluru, Karnataka on the basis of Compilance Report.

Sir,

This is regarding Compliance Report submitted by **RNS Institute of Technology, Vishnuvardhana Road, RR Nagar Post, Channasandra, Srinivaspura, Bengaluru, Karnataka** for its UG Engineering programs which were accredited by NBA in Tier-II for academic years 2018-19 to 2020-21 and whose validity of accreditation has expired on 30.06.2021.

2. The National Board of Accreditation (NBA) has decided that in all cases of UG Engineering programs which were accredited in Tier I/Tier II for the Academic Years 2018-19 to 2020-21 i.e. up to 30-06-2021 and for which the concerned Institutions have submitted Compliance Reports, but, the visit of Expert Team for data verification of the programs is pending because of the current pandemic situation due to Corona virus, the programs will be considered for further accreditation of one year i.e. up to 30-06-2022 after data verification of the programs internally on the basis of the submitted Compliance Reports. The data submitted by **RNS Institute of Technology, Vishnuvardhana Road, RR Nagar Post, Channasandra, Srinivaspura, Bengaluru, Karnataka** in the Compliance Reports has been examined and verified in NBA. Based on the same, the Competent Authority in NBA has approved the following accreditation status to the programs as given in the Table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-II June 2015 Document	Accredited	Academic Year 2021-2022 i.e. up to 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.
2.	Electronics & Communication Engineering				
3.	Electronics & Instrumentation Engineering				
4.	Electrical & Electronics Engineering				
5.	Information Science & Engineering				

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

NATIONAL BOARD of ACCREDITATION

File No: 25-210-2018-NBA

Date: 18-12-2018

To,

The Principal
RNS Institute of Technology,
Vishnuvardhana Road, R R Nagar Post,
Channasandra, Srinivaspura,
Bengaluru, Karnataka-560098

Subject: Accreditation status of programmes applied by RNS Institute of Technology, Vishnuvardhana Road, R R Nagar Post, Channasandra, Srinivaspura, Bengaluru, Karnataka-560098.

Sir,

This has reference to your application I.D. No. 3010-28/06/2018 seeking accreditation by National Board of Accreditation in Tier-II format to UG Engineering programs offered by **RNS Institute of Technology, Vishnuvardhana Road, R R Nagar Post, Channasandra, Srinivaspura, Bengaluru, Karnataka-560098.**

2. An Expert Team conducted on-site evaluation of the programs from 02nd to 04th November, 2018. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-II June 2015 Document	Accredited	Academic Years 2018-2019 to 2020-2021 i.e. upto 30-06-2021	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Electronics & Communication Engineering		Accredited		
3.	Information Science & Engineering		Accredited		
4.	Instrumentation Technology		Accredited		
5.	Electrical & Electronics Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for three years. **RNS Institute of Technology, Vishnuvardhana Road, R R Nagar Post, Channasandra, Srinivaspura, Bengaluru, Karnataka-560098** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

30th October 2017

The Principal
RNS Institute of Technology
Dr. Vishnuvardhan Road, Rajarajeshwari Nagar,
Channasandra, **Bengaluru - 560098**
Karnataka

Dear Principal,

Greetings from NAAC!

I am glad to inform you that the outcome of the Assessment and Accreditation (A&A) exercise of your institution has been processed and approved by the Standing Committee constituted by the Executive Committee to examine the peer team reports and declare the accreditation results. Your institution has been **Accredited** with a **CGPA** of **3.17** on a seven point scale at **A Grade** valid for a period of five years from 30/10/2017. The result is already uploaded on NAAC website. The original certificate of accreditation with the quality profile will be dispatched to the institution in due course. I am sure that the detailed peer team report handed over to you during the exit meeting along with the quality profile will enable the institution to initiate further quality enhancement measures.

As per the new guidelines of NAAC, it is mandatory for institutions to retain the Self-Study Report (SSR) uploaded on the institutional website for A&A by NAAC until the completion of validity period of A&A. The SSR should not be password protected and accessible to all the stakeholders. Institutions are also requested to take note of the mandatory requirement of submitting Annual Quality Assurance Report (AQAR) and uploading them on the institutional website on regular basis. Failing to submit the AQARs annually, institutions will not be eligible for the next cycle of accreditation. For details on the revised guidelines, please visit our website: www.naac.gov.in from time to time.

With best wishes,

Yours sincerely,

(D. P. Singh)

NATIONAL BOARD OF ACCREDITATION

4th Floor, East Tower, NBCC Place, Bhisham Pitamah Marg, Pragati Vihar, Lodhi Road, New Delhi 110003

File No: 25-210-2018-NBA **Date: 29-06-2022**

To
The Principal
RNS Institute of Technology,
Dr. Vishnuvardhan Road, Channasandra,
RR Nagar Post Bengaluru – 560 098, Karnataka

Subject: Further accreditation status on the basis of Compliance Report of the programs in Tier II offered by RNS Institute of Technology, Dr. Vishnuvardhan Road, Channasandra, RR Nagar Post Bengaluru – 560 098, Karnataka.

Sir,

This is regarding Compliance Reports submitted by **RNS Institute of Technology, Dr. Vishnuvardhan Road, Channasandra, RR Nagar Post Bengaluru – 560 098, Karnataka** for the UG Engineering programs which were accredited by NBA in Tier-II for academic years 2018-19 to 2020-21 whose validity of accreditation had expired on 30.06.2021. The programs were granted accreditation for AY 2021-22 i.e up to 30-06-2022 due to present pandemic situation.

2. An Expert Team conducted data verification of the programs on 28th May, 2022. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-II June 2015 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. upto 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier.
2.	Electronics & Communication Engineering		Accredited		
3.	Information Science & Engineering		Accredited		
4.	Electronics & Instrumentation Engineering		Accredited		
5.	Electrical & Electronics Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for further 3 years. **RNS Institute of Technology, Dr. Vishnuvardhan Road, Channasandra, RR Nagar Post Bengaluru – 560 098, Karnataka** should submit fresh online application under First Cycle SAR Tier II June 2015 document through eNBA portal at least five months before the expiry of validity of accreditation mentioned above.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **RNS Institute of Technology, Dr. Vishnuvardhan Road, Channasandra, RR Nagar Post Bengaluru – 560 098, Karnataka** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not**

contd/..

Tel: +91 11 2436 0620-22, 2436 0654; Telefax: +91 11 4308 4903
Website: http://www.nbaind.org |Email:membersecretary@nbaind.org

Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of Report of the Visiting Team in respect of the above programs is enclosed.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary

Join us on : https://us04web.zoom.us/j/2016469840?pwd=KytUeno2ZlM3MlYwcVorR3hma3E3dz09

Meeting ID: 201 646 9840 Passcode: 011248

Minutes of the meeting

Dr. Bhavanishankar K, Asst. Prof. presented a preamble for the meeting and welcomed the panel members

Prof. Hemanth S, Assoc. Prof. introduced the panel members and delivered the formal welcome address

Dr. **Bhavanishankar K**, presented the saga of the department right from the inception till date covering various milestone reached by the department

Dr. Kiran P, Head of the Department, gave a detailed presentation on salient features of the department including faculty achievements, infrastructure, student activities, ranks, placements, activities of CoE in Machine Learning, Skill Augmentation through Moocs etc.

Statements of Vision and Mission and PEOs were presented to the panelists, and they were of the opinion that it's time to bringminor changes in the Vision statement as the Vision seems to be in a broader sense. Dr. Kiran, responded to the views of the panelists by saying"with the further discussion with staff and students, the statement of Vision will be altered"

Following were the opinions expressed by the panelists on various aspects

Dr. Ramakanth , Professor and Head, Dept. of CSE, RVCE, Bengaluru, felt that the alignment of the mission statements to the Vision needs more exploration. He was of the opinion that the Department should focus on attracting high quality students and must aim at providing a platform for Research and Development and Entrepreneurship activities

Dr. T Sathish Kumar, Asst. Prof, Dept. of CSE, BMSIT, Bengaluru, while agreeing to the comments made by Dr. Ramakanth, shared his views insisting on providing a framework for promoting collaborative and multidisciplinary activities. He was of the opinion that the internal question papers must contain at least one question which will make the student to think out of the box and answer

Mr. Phaneendra Kumar, Microsoft India, Bengaluru, insisted on conducting Brain Storming Session with students, faculties and all stake holders and come to a conclusion about PEOs. He also suggested ways to narrow down the gap between the students of IISC, IIT, NIT and those of RNSIT, by saying that problem solving skills should be sharpened by giving them real world problems to be solved.

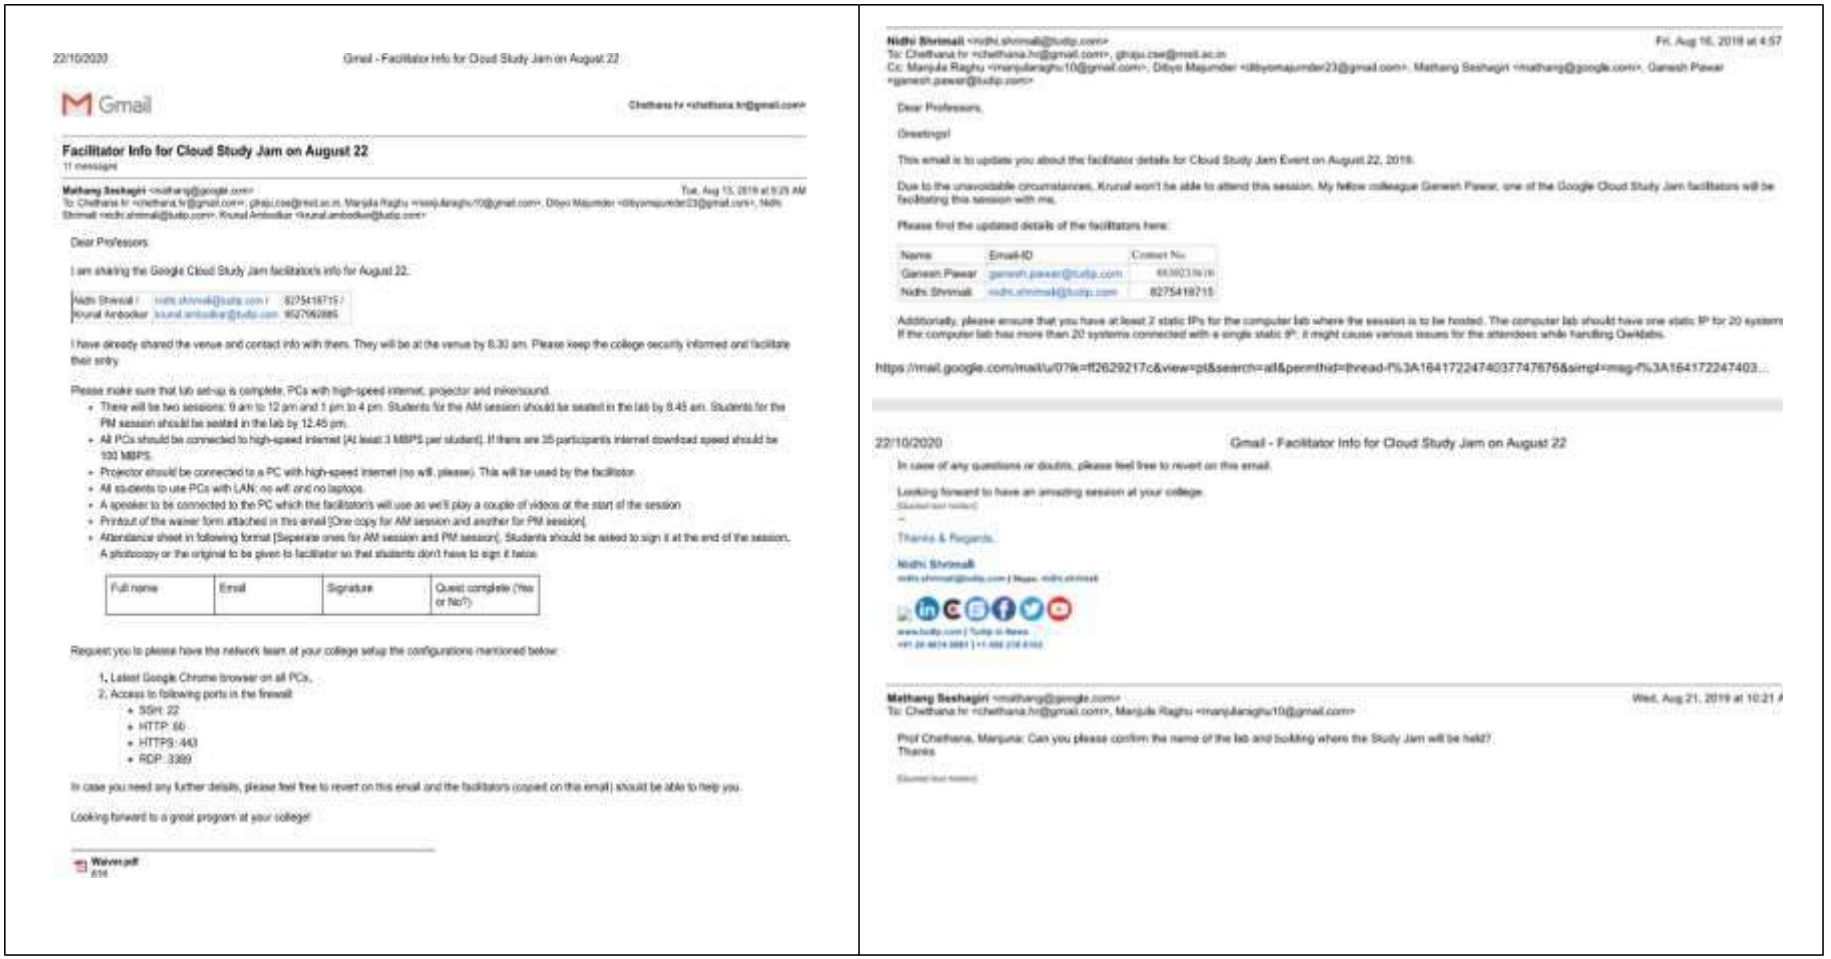

Mr. Vinay Gubbi, IBM, Bengaluru , expressed that the definition of Computer Science is changing over the years and previously CSE meant learning only programming languages like JAVA,C,C+ etc. but in recent times the CSE has become integral part of various branches of science and multi-disciplinary projects. He also felt that the automation should be emphasized as it reduces time by avoiding human interaction as much as possible. He stressed on exploring Open source platform as it gives more exposure and rewards

Mr. Nagakrishna Sathvalli, Director-Finance, LinkedIn, Bengaluru and Mrs. E N Sheela, Project Manager, Sonata Software, Bengaluru felt that the students should be exposed to full stack development model from 3rd semester itself. According to them, the Software engineering principles should be taught and make student practice them in the projects they carry out throughout their academics.

Mr. Adithya Hatwar, Ola India, Bengaluru, was of the opinion that CSE is becoming bigger and bigger in today's world and quoted examples like gene editing done by computer science professionals. He also felt the CSE students should contribute to cutting edge research solutions for Cancers, COVID etc. He also expressed that CSE students are found to be fast learners

Ms. Krupa Hebbar, Streamoid Technology, Bengaluru, insisted on providing students, the exposure on Design thinking. She felt the Design patterns should be promoted in their syllabus and may be included in mission statements. She insisted on setting time frames to achieve the targets.

Facilitator Info for Cloud Study Jam on August 22

11 messages

Mathang Seshagiri <mathang@google.com> Tue, Aug 13, 2019 at 9:25 AM
To: Chethana hr <chethana.hr@gmail.com>, ghoju.cse@mrit.ac.in, Manjula Raghu <manjularaghu10@gmail.com>, Dibyo Majumder <dibyomajumder23@gmail.com>, Nidhi Shrimali <nidhi.shrimali@tutlp.com>, Krunal Ambodkar <krunal.ambodkar@tutlp.com>

Dear Professors

I am sharing the Google Cloud Study Jam facilitator's info for August 22.

Nidhi Shrimali	nidhi.shrimali@tutlp.com	8275418715
Krunal Ambodkar	krunal.ambodkar@tutlp.com	9527962885

I have already shared the venue and contact info with them. They will be at the venue by 8.30 am. Please keep the college security informed and facilitate their entry.

Please make sure that lab set-up is complete, PCs with high-speed internet, projector and mike/sound.

- There will be two sessions: 9 am to 12 pm and 1 pm to 4 pm. Students for the AM session should be seated in the lab by 8.45 am. Students for the PM session should be seated in the lab by 12.45 pm.
- All PCs should be connected to high-speed internet [At least 3 MBPS per student]. If there are 35 participants internet download speed should be 100 MBPS.
- Projector should be connected to a PC with high-speed internet (no wifi, please). This will be used by the facilitator.
- All students to use PCs with LAN; no wifi and no laptops.
- A speaker to be connected to the PC which the facilitators will use as we'll play a couple of videos at the start of the session
- Printout of the waiver form attached in this email [One copy for AM session and another for PM session].
- Attendance sheet in following format [Seperate ones for AM session and PM session]. Students should be asked to sign it at the end of the session. A photocopy or the original to be given to facilitator so that students don't have to sign it twice.

Full name	Email	Signature	Quest complete (Yes or No?)

Request you to please have the network team at your college setup the configurations mentioned below:

1. Latest Google Chrome browser on all PCs.
2. Access to following ports in the firewall:
   - SSH: 22
   - HTTP: 80
   - HTTPS: 443
   - RDP: 3389

In case you need any further details, please feel free to revert on this email and the facilitators copied on this email should be able to help you.

Looking forward to a great program at your college!

Dear Professors,

Greetings!

This email is to update you about the facilitator details for Cloud Study Jam Event on August 22, 2019.

Due to the unavoidable circumstances, Krunal won't be able to attend this session. My fellow colleague Ganesh Pawar, one of the Google Cloud Study Jam facilitators will be facilitating this session with me.

Please find the updated details of the facilitators here:

Name	Email-ID	Contact No.
Ganesh Pawar	ganesh.pawar@tutlp.com	[illegible]
Nidhi Shrimali	nidhi.shrimali@tutlp.com	8275418715

Additionally, please ensure that you have at least 2 static IPs for the computer lab where the session is to be hosted. The computer lab should have one static IP for 20 systems. If the computer lab has more than 20 systems connected with a single static IP, it might cause various issues for the attendees while handling Qwiklabs.

Google Cloud Career Readiness program @ RNSIT

RNSIT proudly presents collaboration with Google Career readiness program which provides students of all backgrounds the chance to achieveindustry recognized credentials

Kick start career readiness program was conducted by Google-led cloud study jam on 22-08-2019 for 5th and 7th semester students. It was a 3 hour event which included introduction to the program and hands on training on GCP with Qwicklabs. Forty students were enrolled for the course and below eighteen students were certified as Associate Cloud Engineer.

22/10/2020 Gmail - List of students who have completed the Google Cloud Career Readiness Course

RNS Institute of Technology, Bengaluru - 98

Induction Program for First Year Students: 2018-19

Preamble: When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. It is important to help them adjust to the new environment and inculcate in them the ethos of the institution with a sense of larger purpose. 3-week long induction program has been proposed by AICTE for the UG students entering the institution, right at the start. The graduating student must have values as a human being, and knowledge and meta-skills related to his/her profession as an engineer and as a citizen. Normal classes run along with the induction program except practical classes. The teachers and senior students from all the departments shall take active part in this program.

Purpose: To make the newly joined students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature.

- The Program is designed to sensitize students towards exploring their academic interests and activities, reducing competition and making them work for excellence, promote bonding within them, build relations between teachers and students, give a broader view of life, and building of character.

Thus, a new student gets connected to Institution, a faculty member as well as a senior student, to whom he/she could go to in case of any difficulty whether psychological, financial, academic, or otherwise.

Committee:

1. Dr. G T Raju, Vice Principal
2. Prof. Sridhara S N, Professor, ECE Dept.
3. Dr. Pandurangappa C, HOD-Physics
4. Dr. Jeevanand, HOD-Chemistry
5. Dr. Suresh S M, HOD-Mathematics
6. Mr. Vasantha Rao, Asst. Professor, Mechanical Dept.

Action Plan:

1. Formation of **Groups** and Identifying the Coordinators
2. Identifying and Finalizing the **Activities** and Resource Persons
3. Analyzing and Collecting the **Requirements**
4. Preparation and Execution of **Schedule**

Requirements:

- Activity Materials/Handouts – PPT
- Honorarium for Resource Persons
- Audio system
- Seminar Halls with Audio and LCD facilities
- Transportation – Bus facility
- Dedicated Photographer / Videographer
